MEMORANDUM FOR: Those Listed Below

SUBJECT: Disclosures of U. S. Classified Information

1. The DD/R has just received a memorandum from the Director of Security outlining the fact that at the Attorney General's request the Secretary of State is coordinating a review of policies relating to disclosures of U. S. classified information (non-military) to foreign governments.

2. In the course of this survey the Secretary of State has asked CIA two broad questions: (1) Does the Agency have regulations, policies and procedures which take cognizance of the 1958 Presidential Directive on this subject? (2) Is the Agency aware of any instance in which released information has been compromised or has not been properly protected by recipient governments? NO 1130, 29 May

3. The Director of Security will handle the response to question (1); question (2), however, will require responses from a number of Agency components. Thus, the Director of Security has requested the DD/R to supply him on or before next Monday, 3 June, any information known which would have relevance to an adequate answer to question (2).

4. Please advise me by close of business, Wednesday, 29 May, whether you have information pertinent to the query.
